Dear Members of The Club,

The Club is off to a fantastic start in 2018! I mentioned in the last newsletter that 2018 promised to be a special year in the history of The Club. I hope you were able to attend the recent Member Appreciation Party, where we announced an exciting renovation to The Club's main level. If you haven't seen the beautiful drawings of the remodeled spaces, visit our website, theclubinc.org, to get a glimpse of the great things to come! We are very close to finalizing the plans, after which we will secure financing.

You, our members, are the life and future of The Club. I want to thank all of you, whose support of The Club has put us in a position to move forward with this renovation. And given all of the excitement, it's a great time to invite your friends to come enjoy a great meal, and an even better view, at The Club. Growing our membership remains a vital part of the formula behind our success, now and in the future.

The Club is your Club. The entire The Club staff is working feverishly to ensure that there are many fun and exciting events every week that you really don't want to miss. Family Night returns April 24, and a new event, the Seafood Shindig, will take place on The Terrace on May 2. And, of course, we will celebrate Mother's Day and Fourth of July in typical The Club fashion!

Hope to see you soon at The Club!

Sincerely,

Fred McCallum
President, The Club, Inc. Board of Governors

PATRICK SPRAGUE

PRESIDENT, YOUNG EXECUTIVE BOARD

Greeting Members!

What a special time to be a member of The Club! The first quarter seems to have flown by, and was full of successful events and exciting announcements. It was great to meet many of our members at the annual Appreciation Party. The Club hosted a celebration with food and drinks for all members to enjoy, on the house. Tough to beat a complimentary party, put on by the best staff in town! At the party, Board of Governors President Fred McCallum announced the exciting renovation plans that will commence in July. This renovation builds on the foundation that was set before us and prepares The Club for generations to come.

In addition to the announced renovation, The Club continues to provide entertaining events that are attracting large crowds. During the first quarter, we had several successful events: Fat Tuesday, Valentine's Day, and the Four Graces Wine Dinner all sold out. These events are a lot of fun and I encourage all to sign up quickly for the coming events.

Looking ahead, we have a few exciting events planned for the spring. Easter (which is already sold out) is around the corner and is always a big hit at The Club. Tunes on the Terrace will begin on April 11, Family Night will begin on April 24, and we will have Mother's Day Buffet on May 13. And then, on June 6, back by popular demand, we will have our Second Annual Cornhole Tournament. Please circle the date and plan to be in attendance. I can promise that you will be entertained, enthralled, and amazed at all the activities. And yes, a red jacket will go to the victorious team. There will be more information to come, but please circle the date: June 6.

There is much to be excited about at The Club. We continue to gather new members and I encourage you all to bring guests to the Member + Guest Socials. It's a great way to entertain your friends and show off The Club.

I look forward to seeing you around.

Dilly Dilly,

GENERAL MANAGER

As spring is here and warm weather is upon us, the staff at The Club are excited to offer activities on The Terrace along with outside dining in The Grill and The View. Once again, we will offer Whiskey and Cigars, Tunes on the Terrace and other outdoor member events. For those of you who enjoy outside dining, The Grill has a wonderful patio and we have added furniture to The View patio with comfortable tables, soft seating and a fire pit.

The member events offered at The Club are always in abundance, and there is something for everyone. This spring will be no exception - Family Nights, Mother's Day Buffet, Seafood Shindig and our Second Annual Cornhole Tournament are just a few of the events coming up soon. Please follow the emails, newsletter and website for the dates and times of the events.

The restaurants will change menus to accommodate the season, and our Executive Chef James Riles, along with his talented sous chefs, are creating mouthwatering new dishes to for you experience. For those of you that enjoy wine, The Club's wine program continues to expand. We are continually adding wines to each restaurant's list and our Wine Club continues to grow. Please look out for emails on our next wine education or wine dinner.

I sincerely hope everyone was pleased to see the progress made on plans for the upstairs renovation. A considerable amount of time and thought went into planning for the future of The Club over the last few years. There is no question that our membership will bring out family and friends to enjoy the newly renovated Signature, bar area, Gold Room and Terrace for years to come. Brochures were sent out and renderings of the new plan are placed in the Gold Room, and The Signature area. Please check out the website for additional information on the project.

In the meantime, we will continue with smaller projects throughout the club to include painting the outside of the building, landscaping projects and additional small updates.

The goal at The Club is to continually improve the value for our membership through great food, signature service, great entertainment, member events and fantastic facilities. Our Board of Governors and dedicated staff always strive to exceed expectations through the aforementioned ways.

Please bring your family and friends out and be a part of the wonderful changes and join us in celebrating the next chapter at The Club.

Sincerely,
Brian Green
General Manager, The Club, Inc.

CULINARY SPOTLIGHT: THE GRILL

Spring has officially arrived! The change in seasons also brings a modification in our menu items, as our chefs are focused on creating dishes with fresh, flavorful ingredients. Sous Chef Josh Elder has added several seasonal items to The Grill's menu that will soon be your new go-to order. His personal favorite? The Seafood Pasta: parpadelle noodles, mussels, and scallops, with fresh English peas, tossed in a white sauce and topped with Parmesan cheese. Be sure to visit The Grill often to try the variety of Spring-inspired plates - as you know, our menus are always transforming!

Our bartenders are also embracing the arrival of Spring with new signature cocktails. Enjoy a crisp, fresh white or red Sangria, or tempt your tastebuds with the Citrus Ginger or Blackberry Sour cocktails. Annie Harkey, Food & Beverage Manager, also concocts a new line-up of drinks each month as well as seasonally - be sure to try them before they're gone!

Visit the Dining tab on the website to view the current menu for The Grill.

EVENT SERVICES TEAM

MAKING YOUR VISION BECOME REALITY

One of the best parts of membership at The Club is access to our incredible Private Events department. Events Director Amanda Brown and Event Services Coordinator Katharine Fesperman work with the Banquet department to help you create a beautiful and successful event, from meetings and family meals to large galas and weddings.

"I've been in the hospitality industry for over 17 years - first in the back of the house as an executive sous chef, and then I moved into events about five years ago," said Amanda, who has been with The Club for almost two years. "I've always had a passion for events and planning, and it was the right time to make the move." Amanda, a member of the Association of Club Catering Professionals, has previously worked at Wynlakes Golf & Country Club in Montgomery and the Greenville Country Club in her native South Carolina.

"For me, the best part of what I do is turning the dreams and ideas of our members into reality. It is the best thing in the world, having the ability to bring someone's ideas to life. Everyone wants to throw a great event, but not everyone has the time - the fact that Katharine and I can be that resource for our members makes working here so great," she explained. Amanda also has a deep understanding of the detail involved in planning the perfect event - she's planning her own wedding, set for this September.

Together with Katharine, Amanda and the department are here to help your event dreams come to life. "Seeing the reaction of the members when they walk into their event is so gratifying. It's why I love my job," said Katharine, a Georgia native who has been with The Club since October.

"We are here to assist you in all your planning needs from business meetings to graduations, baby showers, fundraisers, and everything in between. There is no event too small or large for us to handle," Amanda explained. "If you are hoping to plan an event or would like information on sponsoring, please call or set up an appointment today."

The Events Department can be reached at (205) 326-6990 ext. 201.

THE BEST IS YET TO COME

A CHAT WITH DOROTHY SMITH HODGES

The Club holds a special place in the heart of each of our members. From fond childhood memories to fun-filled dinners to celebrated life events, The Club is a part of life for each member who walks through the doors. With the recent announcement of renovation, excitement is brewing as the club's core prepares to undergo a truly beautiful transformation, bringing the glamour of the opening days to today.

The Club began as a dream of founder Robert S. Smith, his daughter Dorothy Smith Hodges explained. "Daddy had an dream, of a place made out of circles with a glass floor for dancing that could raise for programs. He said that Birmingham needed a place like that." And in his spare time, Smith sought to make that dream a reality. He teamed up with friends and talented designers to create the mid-century landmark that has overlooked the city for the last 67 years.

"Generational memories are what make this place so special," Hodges said. "Though I was young [when The Club opened], I remember it embodying the glamour of the 50's ... what a spectacle."

The upcoming renovation seeks to incorporate the colors, textures and look of the mid-century modern design to pay homage to the early days of The Club. Back when

the club first opened, The Gold Room was the space for all things social - from after-dinner cocktails to major member events.

"I remember how elegant and iconic The Gold Room was. We had this beautiful Mother of Pearl grand piano, and I used to love seeing [the pianist] play with these long white gloves. It was so glamorous," Hodges said.

The Signature and Bar will be renovated to hearken back to the dining and bar atmosphere of the mid-20th century, complete with re-envisioned menus and expanded seating areas. The Club began as a supper and social club, and honoring those special traditions created long ago will be the focus of the renovation.

"My dad was always up here after he retired. People asked him, 'Why are you always up here now that you're retired?' and he always said, 'Because I see everyone I know, and everyone I don't,'" Hodges laughed.

As membership continues to grow, the original ideals of Robert S. Smith guide the main level transformation. The Club grew out of a vision for a place where Birminghamians could dance and dine and enjoy each other. Today, that vision rings truer than ever as a new era dawns at The Club, and we can't wait for you to see it.

COMING SOON: THE 2018 RENOVATION

CONSTRUCTION BEGINS NEXT QUARTER

In February, The Board of Governors was pleased to announce that the rumblings among the membership were, in fact, true; The Club's main level would see a renovation within the year. As the clock ticks down to construction, excitement grows at what's to come before the end of the year.

"This is a unique place and a unique building. I've never seen anything like this anywhere in the country," said Bill Johnson, principal designer for The Johnson Studio. With his team, Bill has developed grand plans for the redesign of The Signature, The Bar & Lounge, The Terrace and The Gold Room. "Some of the things that we're doing reflect, I would say, contemporary sensibilities and trends ... Many of the things that were part of the original building are very much back in style or en vogue. It's a fun thing to try to pick up on and enhance as we developed this design."

One of the biggest changes to the main level is the layout of The Bar, which will now move in front of the windows to take advantage of the city view. The Bar will also have fixed barstools and soft seating, perfect for a variety of uses. "It's important that we service this generation of members, and I think that we're doing that," said Jim Porter, Board of Governors member.

In addition to a redesigned indoor bar, The Terrace will welcome a bar overlooking our exclusive view of the city. "This spot is unmatched by any other place in Birmingham," said Monica Sargent, The Club member. "It has an amazing view and opportunity for outdoor seating ... I don't think there's another restaurant in town that has the ability to have this view and to have the wonderful patio and outdoor seating."

Though the goal is to update and modernize aspects of the main level, keeping with tradition is still at the heart of the plan to renovate the core of The Club.

"I think for a place like The Club ... the idea is just to make a place that is still warm with the tradition, but is not out of the running in terms of what's happening in the world," explained Johnson.

The Butterfly Wall, a beloved piece of The Club history, will be given new life by the main entrance. Pieces of the wall will be preserved in an installation of backlit frames to showcase the unique features of the original design.

"We're still going to have a great space that's going to be somewhere people will want to come to be with their friends and family," said Fred McCallum, Board of Governors president, "The Club is a key part of this city. So that's what's kind of neat, to watch the city move forward positively and then watch The Club be right there with them."

The renovation is scheduled to begin on July 5, with all construction completed in time for the holiday season.

Be sure to visit theclubinc.org/renovation for the most updated information, and to watch the spectacular renovation announcement video. If you have any questions, please email info@theclubinc.org.

Several of the icons from the renovated areas will be preserved - The Signature Dance Floor and Butterfly Wall, to be precise. The dance floor will remain untouched save for refurbishment, being that is an icon of The Club.

"If you would name one thing that has a history and life and reputation of its own, it's the dance floor. You could take it on a tour across museums around the country. And not just to preserve that, but then to upgrade it, I think is a great way to honor the reputation that the dance floor has. I think the existing members really will appreciate that going forward," said David Germany, Young Executive Board Member.
